Thomas H. "Bud" Butler joined the Glenmore Farm family in June of 2005 after the closing of the show horse division of Americana Stables, where Bud had been the trainer for the previous decade.

Joining Glenn Werry's team in Illinois, that already included John Johnson and Tom Bombolis, was a big move for Bud who had spent nearly 50 years training show horses in Pennsylvania and Ohio.

The Glenmore team welcomed Bud and his longstanding reputation, and together they are creating champion Saddle Horses.

Glenmore had a World's Champion in 2005, winning the blue with First Time Heir, their Junior Park Horse entry.
